SPEAKERS

DAVID ITZKOFF, DDS has been the Supervising Dentist at Shapiro Center, a 500-bed residential facility for adults with developmental disabilities operated by the State of Illinois in Kankakee for over 30 years. He is a graduate of NYU School of Dentistry. He is a senior fellow of National Academies of Practice where he serves as Chair of the Dental Academy and is a Diplomat and immediate past president of the American Board of Special Care Dentistry. He has been a proud member of SAID for 30 years and hasn't missed a meeting yet.

LISA STILLMAN, RDH, BS is a Regional Education Manager for Xlear Inc. She teaches health professionals the general and dental health benefits of quality xylitol products with presentations and literature and assists dental offices in incorporating xylitol into the dental hygiene protocol. Lisa has practiced dental hygiene in Maryland and Virginia. She developed an organization called "Dental Voice for Mental Health" that assists mental health care recipients in caring for their oral health with awareness and education. Lisa writes articles and is featured in dental and mental health publications.

MARIA THERESA GALANG-BOQUIREN, DDS is a tenured Associate Professor at the University of Illinois Chicago, Department of Orthodontics. She took a keen interest in dental sleep medicine more than ten years ago and has collaborated with the medical profession through research and clinical care since then. Apart from teaching predoctoral dental students and orthodontic residents, she works in private practice and holds a hospital appointment at the John H. Stroger Jr. Hospital of Cook County.

BETSY WHITE, RDH, BSDH, FSCDH completed her Dental Hygiene Degree at Guilford Technical Community College, her B.S. studies at the Univ. of NC School of Dentistry and maintains her Fellowship in Dental Hygiene from Special Care Dentistry. She has spent her entire career in Special Care Dentistry and is currently a hygienist and Chief Operating Officer for Access Dental Care. She has served on boards and task forces from local to national levels to support dental providers serving patients with intellectual and developmental disabilities as well as those with mental health disorders.

JOON HAN, MS, DDS, FACP opened Scharrington Dental in 2009 to provide superior dental care for patients of all ages. He received his Bachelors Degree in Chemistry and Music from Illinois Wesleyan University and both his Masters Degree in Chemistry & his Doctor of Dental Surgery Degree from University of Illinois. Dr. Han is proud to be a Diplomate of American Board of Prosthodontics and a Fellow of American College of Prosthodontists. He is one of 31 Board Certified Prosthodontists in the State of Illinois. As an expert in implant, veneer, crown, bridge, denture, cosmetic, and restorative procedures as well as a master coordinator with specialists, his goal is to provide the most comprehensive care to his patients and his community.

JOHN BLAIR, MD, FACC is an interventional cardiologist at University of Chicago Medicine. His clinical interests include coronary physiology, complex coronary artery disease, congestive heart failure, and valvular heart disease. He offers a robust line of clinical services and has extensive research experience, resulting in multiple peer-reviewed papers, review articles, and book chapters. He has participated as the local PI in several randomized clinical trials in coronary microvascular dysfunction, heart failure with preserved ejection fraction, & device-based therapies for congestive heart failure.

ANGIE STONE, BS, RDH, BLS, CDP began her career in the United States Navy as a Dental Technician. Her assigned mission was to help keep her fellow sailors dentally ready for deployment. After her enlistment, she completed degrees in dental hygiene and psychology. Through her company, best selling book, "Dying from Dirty Teeth", and lectures across the country, she has made an impact on how elders are understood and cared for by the dental profession. Her work with elders exposed her to many patients with Alzheimer's Disease (AD). Her family is experiencing their third generation of AD.

STEPHEN BEESTRA, DDS received his dental degree from Baylor College of Dentistry in 1990. He then served as a Commissioned Officer in the United States Public Health Service until 1999. While in service, he created needs based programs for pediatric, Native American, migrant, and medically complex patients in Oregon, Florida, and North Carolina. For his efforts, Dr. Beetstra received an Outstanding Service Medal, the highest award granted by the Service and was recognized by the National Health Service Corps as a Healthcare Hero.

DOUGLAS VEAZEY, DDS is a dentist at the Black Mountain Neuro-Medical Treatment Center in North Carolina. Dr. Veazey was the Dental Director at Broughton Hospital, Morganton for 31 years. He has served over 20+ years at Good Samaritan Dental Clinic, a non-profit that serves indigent patients in Burke County. He has been kind enough to take on reviewing published literature that references dental patients with special needs, and to provide to attendees a summary of relevant articles.
