SPEAKERS

ELLEN ANDERSON, RDH, BS is SAID's 2023 President and a long time member of SAID. She has experience with dental hygiene care in a variety of settings, including private practice, public health, as a clinical instructor at the Harper College DH program and an oral health educator in long term care facilities through the Illinois Department of Public Health. She is currently a clinical hygienist at Willow Creek Care Center.

ROBERT RADA, DDS, MBA is a clinical professor in the Department of Oral Medicine and Diagnostic Sciences at the University of Illinois College of Dentistry. He also maintains a private practice in LaGrange Illinois focusing on patients with special needs. Individuals with intellectual and developmental disabilities of all ages are care for in his practice. He teaches in the Group Practice Clinics and currently has dental students rotate through his private practice and directs the Special Care Dentistry track at UIC.

JOHN BLAIR, MD, FACC is an interventional cardiologist at University of Chicago Medicine. His clinical interests include coronary physiology, complex coronary artery disease, congestive heart failure, and valvular heart disease. He offers a robust line of clinical services and has extensive research experience, resulting in multiple peer-reviewed papers, review articles, and book chapters. He has participated as the local PI in several randomized clinical trials in coronary microvascular dysfunction, heart failure with preserved ejection fraction, & device-based therapies for congestive heart failure.

BETSY WHITE, RDH, BSDH, FSCDH completed her Dental Hygiene Degree at Guilford Technical Community College, her B.S. studies at the Univ. of NC School of Dentistry and maintains her Fellowship in Dental Hygiene from Special Care Dentistry. She has spent her entire career in Special Care Dentistry and is currently a hygienist and Chief Operating Officer for Access Dental Care. She has served on boards and task forces from local to national levels to support dental providers serving patients with intellectual and developmental disabilities as well as those with mental health disorders.

JOY POSKOZIM, DDS, FSCD, CDP a general dentist and national speaker, teaches dental and medical audiences what dental emergencies are, dental terms and how to treat those with dementia. She is the dental director for several nursing care facilities as well as house-call dentist. She has been in private practice for over 20 years, practicing integrative health general dentistry at her office in Chicago, and has been performing dental procedures on the home-bound for 15 years. Dr. Joy's true passion is being an advocate for the geriatric population.

TRACY ANSELMO, BSDH, RDH prior to joining the Delta Dental of Colorado Foundation, Tracy had a variety of roles involving the planning, implementing and evaluating strategic policy and health initiatives in her work as Executive Director of the Colorado Association of Local Public Health Officials, the Oral Health Program Manager for the county of San Luis Obispo, CA and the Dental Director for the state of Colorado. Tracy received her Bachelor of Science in Dental Hygiene from the University of Colorado and her Master of Public Health from the Rollins School of Public Health.

JAMIE COLLINS, RDH-EA, BS is a hygienist licensed in Idaho and Washington states and dedicated to advancing the dental profession. With over 20 years in the dental field and a passion for patient care, especially those with higher risk factors, Jamie enjoys sharing tips and tricks of dental profession. Through speaking and writing for various publications, with over 80 articles published she educated dental professionals worldwide. She has been awarded the ADHA Trailblazer Award in 2021, 2022 and the first recipient of the ADHA Standout Seven Corporate Hygienist award in 2022.
